Gathering of Breakers: Warring For Your Destiny

Prophetic Word for Gathering of Breakers by Terry Wise, 2/23/22

The IbM gathering in October will be a time of “released power”. I SEE the fire of Holy Spirit falling throughout the gathering with mantles being restored and renewed.

Holy Spirit will unleash His power unlike anything ever previously experienced. (I am watching this event live that will occur in October. I see the angels of heaven as they move throughout the crowd while the fire of Holy Spirit is released. God is about to reveal His power in a sovereign way.)

Some have lost their purpose during this past season, but the Lord is about to renew their strength. Many ministries and individuals will be THRUST into their destiny.

Thrust - transitive verb.

1:to push or drive with force; to shove.

2:to cause to enter or pierce something by or as if by a pushing thrust

Now is the time of preparation for the fall and what is about to occur.
